No additional fee is required since this information is filed within three months of the filing date of a national application other than a continued prosecution application under §1.53 (d). (37 CFR 1.97(b)(1))

Documents relating to the above-identified application are submitted herewith. These documents are intended for the Examiner's information and for citation with the instant case. This submission does not constitute either a representation that a thorough search has been made or an admission that the documents cited herein are properly citable against the above-captioned patent application. An attached PTO Form 1449 lists all the documents.
